

Capital Towers

YOUR SUPPORT WILL CHANGE A LIFE.

Capital Towers, an affordable housing community located in Raleigh, NC, will be home to 300 senior adults of very modest means. Over the last 46 years, Capital Towers has provided a home, at an affordable cost, to thousands of senior adults.

In addition to significant enhancements to the buildings, we now have the opportunity to make a Services Coordinator available to these residents. The position will assist residents in accessing resources and services which will enable them to live life independently and address immediate needs related to therapy, temporary housing, transportation, medical or dental care, nutrition and wellness.

The Presbyterian Homes Foundation, Inc. has committed \$40,000 to this effort and is raising a matching \$40,000 from donors such as you who care about seniors living in Raleigh.

In addition, there are other needs at Capital Towers that donors can support. Gifts may be directed for wellness classes and equipment, enrichment activities, and furnishings. Similar opportunities will be proposed for Milner once the project is underway.

Gifts made to the Foundation are earmarked for Capital Towers and are tax-deductible and can be made in a variety of ways:

- Checks or grants from donor advised funds can be mailed to:
The Presbyterian Homes Foundation, Inc.
2109 Sandy Ridge Road

- Online gifts are accepted at www.presbyhomesinc.org.

A generous person will prosper; he who refreshes others will himself be refreshed.
